Medical Orders for Admission

Your patient, _____, is being admitted to Sunrise at Parkway. As such, this home is approved for CCSP and SOURCE client placement and is regulated by the division of medical assistance as well as the office of regulatory services. It is required that written, signed, medical orders for all medications, both RX and OTC, be maintained in the clients file at the personal care home. Be sure to include orders for all pain relievers, laxatives, vitamins, antacids, etc. In addition, we are required to have written, signed orders for any needed special treatments and for the type of diet.
